

Our Mission

The Locker Project connects food-insecure children in Maine with nourishing food to improve their learning capacity, health, and future. We take a whole-family approach to child hunger with programs that strive to be low barrier, stigma-free, and environmentally responsible.

How We Share Nutritious Food

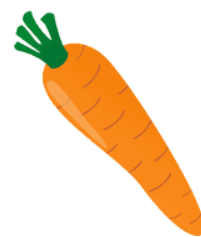

- **Green Bags** provide kids with fresh fruits, vegetables, & bread to take home
- **Purple Bags** provide kids with healthy staples such as rice, pasta, soup & cereal to share with their families
- **Fresh Food Events** offer a low-barrier opportunity for children and families to choose from an assortment of fresh produce, bread, and meat to take home.
- **Family Food Boxes** combine fresh produce, bread, meat and staples in one large box for case managers and social workers to pick up for home delivery to families.

- we order up to 350,000 pounds of produce and staples from **Good Shepherd Food Bank**
